Writing:Being sick at the cinema

Sunday 24th May 2021

Today was my birthday. My mother and I went to a cinema in the afternoon. We went there and I watched my favourite cartoon "Super Joe" as my birthday present. I was excited but finally I had a bad experience.

We arrived at the cinema at 12:30. There were a lot of people there. I could see some people were chatting with their friends and family. Some children were "Super Joe" costumes and were running around. There was a long queue in front of the box office. We waited for a long time. I felt upset.

After buying tickets, we went to the snack bar. There were only a few people so I was served quickly. My mother and I bought a tub of popcorn and two soft drinks. I was very happy. I learned a lesson today. From now on, I must wash my hands before eating.

After we bought snack, we went into the cinema house. We sat down on the sofa and watched the movie. The movie was interesting. I started eating popcorn and drank soft drink. It was great. Suddenly, I had a stomach ache. It was a great pain. I told my mum. We left the cinema and went to a clinic. The doctor said I got sick because of bad habits. I did not wash my hands before eating. Poor me! I could not finish "Super Joe" in the cinema.
