

A trip I will never forget

Earl Lam (5D)

My parents decided to take me and my sister to Stanley for a trip. Last Sunday was the day we started off. We went to Stanley by MTR.

The first place we visited in Stanley was Ocean Park Hotel. We checked in at the lobby of the hotel. The room we stayed in had a lot of beautiful furniture, such as tables, sofas, cabinets and armchairs. There was a kid's room in the hotel. Inside that room, there were many different toys. My sister and I were excited when we visited there.

On the next day, we went to Stanley Beach. Many people were there. My sister and I played with the sand and we built a sand castle together. Then we swam happily in the sea. Suddenly, I realised that my parents had gone. I wanted to cry, but my sister told me to stay calm and wait for them to come back. Five minutes later, they came back with snacks and ice cream. We laughed and shared the food together.

My family and I had a great time in Stanley. Among all the places there, I like the beach best. I hope to go there again very soon.
