

An Outing With My Family

(4D Shelly Wang)

It was a perfect day last Sunday. The weather was sunny and cool. My family and I went to Mai Po to explore nature. We went there by MTR.

When we arrived, we found a table. Then we cleaned it and put the food on it. We had a barbecue and chatted. "What are we going to do after lunch?" I asked. My brother said, "Let's fly a kite and play badminton." My mum said, "No, let's take photos." When my brother and my mum were arguing, my dad said, "Stop! Let's play badminton and fly a kite first and then take photos." "Okay!" said my mum and brother.

When we were barbecuing, suddenly it rained. "What should we do?" asked my mum. It rained heavily. So we went to a pavilion. Dad said, "Let's go back home!" Actually I didn't want to go back home, but I said, "Alright! Let's go home." Then we packed our things and went back home.
