

Let's play

(2D Yeung Dick Kan Dickens)

Date: 25th May, 2021 (Tuesday)

This playground has many things for the children to play with.

This playground has a slide, a see-saw, a roundabout, swings, and a bench. These playground facilities look fun and exciting.

These people are my friends. They decide to play on the slide.

But I want to play the see-saw. I feel sad.
