by 3C Huang Ho Yeung, Adam (6)

It is the 10th of May today. Ada and Adam are at home. They look at the calendar. Ada says, 'Today is Mum's birthday.' Adam says, 'Let's buy a dress for her.' They decide to buy a dress for their mum. They feel happy.

Next, Ada and Adam go shopping in the shopping mall. They go to the clothes shop. They want to buy a dress for their mum. Ada asks, 'How much is this dress?' The shopkeeper says, 'It's seventy dollars.' Oh! Ada and Adam have fifty dollars only. They do not have enough money. They feel upset and disappointed.

Then, the shopkeeper gives a coupon to Ada and Adam. They say, 'Thank you.' They are glad, because they can buy a dress for their mum. They go back home. Their mum is happy, because she has a new dress.
