by 3C Kwan Ka Yuk, Kenji (21)

It is the 10th of May today. Amy and Tom are at home. They look at the calendar. Amy says, 'Today is Mum's birthday.' Tom says, 'Let's buy a gift for her.' They want to buy a gift for their mum. They feel excited.

Then Amy and Tom go shopping in the shopping centre. They go to the clothes shop. They want to buy a dress for their mum. Amy asks, 'How much is this dress?' The shopkeeper says, 'It's seventy dollars.' Oh! Amy and Tom have fifty dollars only. They do not have enough money. They feel sad and disappointed.

Finally, Amy has an idea. She says, 'Let's buy a birthday cake for Mum, instead.' Tom says, 'Good idea! Let's go to a bakery.' They buy a strawberry cake. The cake is fifty dollars only. They go home at night. Amy says, 'Happy birthday, Mum.' Mum says, 'Thank you!' They are all glad and celebrate the birthday together.
