

What did you do last week?

Lee Man Yan, Jenny

(4C)

My name is Jenny. I was a helpful girl last week, I helped many people.

Last Monday after lunch, I helped my mum with the housework. I swept the floor because the floor was dirty. I felt glad.

Last Tuesday, I went to school and helped cleaned the blackboard. I helped the teacher because the teacher was busy. I felt tired.

Last Friday after school, I saw an old woman on the MTR. I offered a seat to her because she was old. I felt helpful.

Last Sunday in the morning, I treated an injured cat on the street because it was hurt. I felt polite. Helping people is meaningful.
